## Home Learning Pack for 5<sup>th</sup> & 6<sup>th</sup> Class

Hi everyone,

Another week complete, well done everyone! How did you do against your parents in the Maths task? Did you get the correct answer? Remember the rule ***Boats May Drift At Sea.***

The weather last week was fantastic so I can understand how attractive the garden was rather than SeeSaw but we only have a short time left so let's keep up the good work! The good news now is that we are pretty much into some revision work for Maths so most of this week's work should be easy enough for you. Along with Miss DeLeaster, we have come up with some nice outdoor tasks to do this week. Check out SeeSaw for a map your garden activity – can you draw a map of your garden? Will you do it to scale? Do you have a wildflower area for bees? Let me see your finished product this week. This week I have also asked you to create an obstacle course outside – see who can complete it the quickest.

As always, the activities I list are **suggestions – I do not expect that all are completed.** Please do what you can. If you find that there are too many activities, go for the ones marked **key tasks.**

Please remember that if you have any concerns or queries, I can be contacted via Seesaw or via the school email – [office@njs.ie](mailto:office@njs.ie) or [principal@njs.ie](mailto:principal@njs.ie). Ms Mc Sweeney, all of staff and I are here to help and support everyone in any way we can.

Best wishes to everyone and hope that you all stay safe and well.

Mr. Busher

## Activities for Week beginning June 8<sup>th</sup> 2020

Optional supplementary work is outlined after the Key Tasks.

<u>Key Tasks</u>	<u>Subject</u>	<u>Activity</u>
	<b>English</b>	<b>Racing Ahead Frozen North, p.256 - 265 Seek &amp; Search, Quest &amp; Query &amp; Word Watch</b>
