Home Learning Pack for 1st & 2nd Class

Hello everyone,

It is hard to believe that this is our final post for the year.

The last few months have been such an unusual time. When school closed on 12th March, we did not think that school would remain closed for such a long time. We have really missed seeing each of you every day but am so delighted that we were able to remain in touch via Seesaw. The work you have submitted to Seesaw has been truly fantastic. Watching your videos, seeing your photographs and pictures and hearing your voices has been so much fun. Keeping in touch via Seesaw has been great but we are really looking forward to seeing you all in real life next year.

We are very proud of the amazing work that you have done over the last few months. You all deserve to take a rest now and enjoy the break over the holidays.

Thank you to Mums and Dads for your continued support. It would have been impossible to run our distance learning programme without your ongoing help.

School finishes next Wednesday and this week's post has a few activities which we hope will be fun for you. If you are tired of school based activities, don't worry, there's no need to do them!

Best wishes to everyone for a great Summer and looking forward to seeing you in September.

Ms Colquhoun & Ms Kavanagh
