Home Learning Pack for Senior Infants

Hello everyone,

It is hard to believe that this is our final post for the year.

The last few months have been such an unusual time. When school closed on 12th March, I did not think that school would remain closed for such a long time. I have really missed seeing each of you every day but am so delighted that we were able to remain in touch via Seesaw. The work you have submitted to Seesaw has been truly fantastic. Watching your videos, seeing your photographs and pictures and hearing your voices has been so much fun. Keeping in touch via Seesaw has been great but I am really looking forward to seeing you all in real life next year.

I am very proud of the amazing work that you have done over the last few months. You all deserve to take a rest now and enjoy the break over the holidays.

Thank you to Mums and Dads for your continued support. It would have been possible to run our distance learning programme without your ongoing help.

School finishes next Wednesday and this week's post has a few activities which I hope will be fun for you. If you are tired of school-based activities, don't worry, there's no need to do them!

Best wishes to everyone for a great Summer and looking forward to seeing you in September.

Kathy Macdougald

Activities for our last few days!!

Senior Infant Photo Story	Enjoy looking at all the photos we took during the year up to March. Tell your Mums and Dads about the activities we did. Think of your favourite memory from Senior Infants and draw a picture of it or send me a video or voice clip on Seesaw.
P.E.	For the last Active blog of the year, Ms. Kavanagh has included a you tube video that shows several station ideas that you can adapt to suit your family. https://www.youtube.com/watch?v=3f06jQqnoi0
Green Schools	There are many resources on the link below to encourage cycling safety and celebrate cycling: https://greenschoolsireland.org/celebrate_cycling/
